

Mojo On

k-os

Sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
What you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light

Yeah met her at the bus stop
No this ain't no joke yeah she loves rock
Got freaked in the street by a boombox
I was a sheep in a wolf's clothes not fox
Beat the ozone
Like David Sizoo Black
Flow from coast to coast British Colum-back
A lot of these kids can't write these days
So they living a Hip-Hop holiday
But I guess that's just the way it is
Gotta fight for your soul in the music biz'
I'm something like a phenomenon
When I'm turning up my alien mojo on
Made a pact made a rapper pick up the slack
Won't be long like a Beatles song in fact
What you see can be told if you know the song
Break the seal if you feel that you can't go wrong

The night is young and so weak
The night is young and so weak

This is one more rap statistic
Let's all thank God I'm so simplistic
I'm from this place I'm not a mystic
I'm just an average simple Joe
No home girl ain't nothing doing
I don't know who you think you're fooling
I'm from the land of ice-a-cooling
I'm hot and [?] act like you know
Check it
Everybody's got a plan
But can they rock an amp for me in the stand?

Get off the internet and oh man
Has a brain better than a two gig ram
Gotta give a shout to- De La Soul
Telling you the truth since teen years old
Now I got the right to sing my own song
Got my mic, got my juice, I got my mojo on

Sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
What you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light
I gotta sing my song
Get my mojo on
Got my mojo on
And I can't go wrong
'Cause what you do in the dark of night
Comes out in the morning light
