k-os

She doesn't love me it's all for money  
She comes around all new this day  
I fall back in love but I feel something funny  
So why would I throw my world away?

Leather coat  
Backstroke  
Diet coke  
Antidote  
Mute purse  
Universe  
OC episode  
Actress  
Mattress  
Unison  
Glasses  
Rock star  
Classes  
Backstage passes

Thought I told you  
Told you she would mold you  
Mind she hold you  
Hold you like crazy glue  
No clue  
Tofu  
Tell me whatcha gonna do  
See she run run  
She run run

She doesn't love me it's all for money  
She comes around all a winter's day  
I fall back in love but then I feel something funny  
So why would I throw a friend away?

Forget the money better run now  
You're not what she jumps now  
You gotta learn to have fun now  
Yeah  
Forget the money better run now  
You're ain't what she jumps now  
You gotta learn to have fun now

You thought you had it under control  
He thought he as holdin' it down  
But she was makin' rounds all around downtown now

It not all for the money  
We look above on a winter's day  
We fall back in love but we feel something funny  
Why are we throwing our world awya?

Forget the money  
Forget the money  
I'd like to think I'm not in the money game
