

# I Wanna Get Lost

K's Choice

I am walking down a road I've never been the sun is shining  
I don't know where I'm going but it's gonna be great  
And I think I'm about to get lost and I can't wait

I am walking it's a trip it feels so good not knowing where I am  
Don't know why don't know where but it's gonna be great  
I think I should know better 'cause it's getting late

I, I wanna get lost  
Follow me on a sunny day  
I, I wanna get lost get away hey hey hey

I am walking down a road I've never been the clouds are mine and  
I don't know where I'm going but it's gonna be great  
And I think I'm about to get lost and I can't wait

I am walking I am free and all I see is poetry  
Think I know where I'm going and it feels so good  
Because a winding road leads me to you

I, I wanna get lost  
Follow me on a sunny day  
I, I wanna get lost get away  
I, I wanna get lost  
Follow me on a sunny day  
I, I wanna get lost get away hey hey hey  
Hey hey hey  
Hey hey hey
