

Stand My Ground

K's Choice

I can see
When I stay low nothing happens
It doesn't feel right
Late at night
Things I thought I put behind me
On my mind

Stand my ground, I won't give in
No more denying, I gotta face it
I won't close my eyes and hide the truth inside
If I don't make it, someone else will
Stand my ground

It's all around
Getting stronger, coming closer
Into my world
I can feel
That it's time for me to face it
Can I take it

Stand my ground, I won't give in
No more denying, I gotta face it
I won't close my eyes and hide the truth inside
If I don't make it, someone else will
Stand my ground

All I know for sure is I'm trying
I will always stand my ground

Stand my ground, I won't give in
No more denying, I gotta face it
I won't close my eyes and hide the truth inside
If I don't make it, someone else will

Stand my ground, I won't give in
No more denying, I gotta face it
I won't close my eyes and hide the truth inside
If I don't make it, someone else will
Stand my ground
