## K-Trap

Feds wanna watch this Trap God so I can't do much hanging about  
(No, I can't)  
Young and plugged up, them man look mad in the drought (Stressed)  
Lost your mind tryna run in this bando, I bet you the pigs gon'  
carry him out (Carry)  
I was in the ends, six in a humpty, way too big, had to drag it  
around (Drag it)  
Mask on my face, that's me or L, hood up, couldn't see myself (No)  
Shell casings on the pavement, pray the pigs don't see the trail (Ugh)  
A L's a L, same way a win's a win (Win)  
Free Rose, step two poles, longest nose, two different spins (Two  
different ones)  
Got weight on my chest in the T house, two different gyms (Two  
different ones)  
One chain and a buss down, sex, two different tings (2 differen  
t tings)  
If it's war, I just call it, fill dat ting 'till it hits the br  
im (Fill it)  
Skrr and skid, hear it ring, didn't see a thing (Nothing)

Feds ever come, I've lost my memory cah it's the box they'll se  
nd me  
And even though I'm in my bag, it's mad, opps still gotta pour  
out some Henny  
Cover my face, some say I ain't friendly and babe, that's silk,  
gotta touch it gently  
Tryna leave but the trap won't let me, everyday I'm filling thi  
s 'rex  
All we wanted was money, power, keep that fame, just give me re  
spect  
Can't give her the leg, just give me the neck, youngest plug, I  
'll give you a Z  
Tell them man give it a rest, killed the T, then did it again  
Killed the trap, then did it again, game is Trap's, can't give  
it to them

Come up's real (Come up)  
Trap phone just popped now, gotta do other deals (Other ones)  
One week later, nuttin' still but I kept the faith (Faith)  
Now I'm in the kitchen with bicarb, threw it in, it kept the fl  
ake  
I was on the M-  
way, 9am, two hours left, had breakfast late (Late one)  
Over the opp block tryna fry them eggs, that's breakfast late  
.44 ain't got no safe, come up stolen, checking his plates

Who's that there? Check an estate (Who's that?)  
Spot me one, step on them brakes, look at my man getting away (Get 'em)  
Can't afford a stop, I'm getting away, petrol bath then I getting to bae's  
She ain't got a clue, it's better that way, hectic life, I'm tryna change (Change)  
Found a way  
A thousand nights for thousand of eight, caught with this, they'll send me away

Feds ever come, I've lost my memory cah it's the box they'll send me  
And even though I'm in my bag, it's mad, opps still gotta pour out some Henny  
Cover my face, some say I ain't friendly and babe, that's silk, gotta touch it gently  
Tryna leave but the trap won't let me, everyday I'm filling this 'rex  
All we wanted was money, power, keep that fame, just give me respect  
Can't give her the leg, just give me the neck, youngest plug, I'll give you a Z  
Tell them man give it a rest, killed the T, then did it again  
Killed the trap, then did it again, game is Trap's, can't give it to them
