K-Trap

Hazardous youts, them man feel awks when we make an entrance
Add a bit of sauce when my name gets mentioned
I'm on with the bestest deals, mark all numbers and send these texts
This one's TT I didn't stretch it
Kickback watch the phone do backflips
Me and bro come through guns blazing, all of this corn for dem like catch this
Let the Mac spit a 32, it didn't need no stabs or adlibs
2 hands up when I see Trident, 1 hand when I slap this handtling
If he ain't with gang don't bly him, he can get left there where he's standing
Bubbling pot with cocoa, all I do is whip this yola
This snow got a man all icy, with the K on froze we're colder
Big foreign man put it in speedy, I ain't know no met no chauffeur
I ain't friendly more like anti, I keep it kosher with this revolver
Young trap boss with nachos, pattern the T like Pablo
Pattern up your bitch in a free yard, I just pattern the ting like aggro
Pattern the hit for the iTunes, still patterning shit on the backroad
Don't ask for birds and a good line, only pattern the packs on the trap phone

Anytime I step I'm pattern, waps and cash and anything else
Half a chicken in the bando, all I wanna do is just better myself
Now I'm just shelling off shows, I know that they thought I'd be better in jail
Young trap boss just winning, I know that they thought I'd be better with Ls
Anytime I step I'm pattern, waps and cash and anything else
Half a chicken in the bando, all I wanna do is just better myself
Now I'm just shelling off shows, I know that they thought I'd be better in jail
Young trap boss just winning, I know that they thought I'd be better with Ls

First drill that I done it was yards from home, mummy coulda saw me shelling
First show that I done was a sold out one, mummy came and saw me shell it
Bro hit a boy with a Mossberg, only if you saw them pellets
Spin ting fill up with copper, you don't wanna feel these pennies
They talk 'bout cash but they're new to readies
15 I held man for boxes, them man dere's new to bellies
Good little ting I jeet it, squeeze me told me to touch her belly
Remember days I was so broke, it's peak when your back just touches belly
Now I just push this work and attend these gigs
Where's the plug I wanna lend a brick?
Remember days I didn't have 20 quid, now I just count up 20 quid
Skeng fresh home from a hefty bid, said he wanna watch worth 20 quid

Anytime I step I'm pattern, waps and cash and anything else

Half a chicken in the bando, all I wanna do is just better myself
Now I'm just shelling off shows, I know that they thought I'd be better in jail
Young trap boss just winning, I know that they thought I'd be better with Ls
Anytime I step I'm pattern, waps and cash and anything else
Half a chicken in the bando, all I wanna do is just better myself
Now I'm just shelling off shows, I know that they thought I'd be better in jail
Young trap boss just winning, I know that they thought I'd be better with Ls
