

# Attack The Day

K-Trap

(Nathaniel London)  
(Remedee)

Put my head on the mat, go attack the day (Turnt)  
CC on a flap, she was mad behaved (Huh)  
Throwin' up stupid signs in the video, there's a Luger next to his name  
Bro said he's got twenty in one and I said the same  
Civils outside gotta bear it in mind  
And be extra careful airin' the bine (Bpa, bap, bap, bap)  
You ain't ever went offline, then put the T phone online  
You ain't ever kept it low even though you was raisin' crime (No)

Golden slugs in the Springfield (Springfield)  
Extras wrapped in the cling film  
Brick of B with the F1 (F)  
Fly Singapore for the F1 (Yes)  
Me and bro done a pet run, then we went there and stretched one  
Gang tryna talk bout bodies in novi, whisperin' at the restaurant  
I feel like Cole, I shoot on the pitch, but the interview, I don't know  
Multitask, I got a bird on the stove and a bird on the phone  
Load them, then we gotta go, them man can't get no breaks  
With my foreign babe in the trenches tryin' out pepper steak (Huh)  
This one a skeleton, this ain't a Hublot, I know it's a bit confusin'  
Put the Rambo right down the middle, split a brick in two bits (Yuck)  
If I'm in the car with M or P, that's minimum thirty Lugers (Grrt)  
Minimum thirty-

Just jumped off a Zoom and updated the calendar (Business)  
How you out in the dance, no shoes? I can't do, I'm a carrier (No)  
New gen way skattier, that's somethin' I'll bet on (Will)  
Little bro wanna do it in style and go on a Cheruon (Huh)  
When the opp boys ask what hammers we got  
I'm tellin' 'em, "Gen 3 love, Gen 4 love, Gen 2 love" (Yeah, yeah)  
I tell you it's up and stuck (Grrt)  
Put you on the explore page, now they try not wanna explore deeper  
Six in the 4, nine in the Nina (Grrt, bap)
