I'm on Edgware Road with a gorgeous one and shisha smoke  
Pocket rocket one inside my expensive coat  
Still see me with M and Rose or see me with M and Rose  
That's 18k's and waps that's racks and water froze  
I'm in a bando one up 2 Pyrex's full of yay If they kick this door then the k  
itchen windows my escape  
Might see me with M or M that Skeng or that's M.A  
Owe the plug like 18k and still bought an 18k

I woke up and made 5 quid  
Celebrate with cookie  
Still see me with M that's no ifs, buts or would-be's  
Cowboy like Woody  
It cost me a arm and a leg but I fire this pin and burn this hoodie  
Got me a brand new whip  
Brand new bitch, brand new wap  
Young fly boy getting paid off rap and fucking up council flats  
LD still pull up on wass  
2-5 shots do it and dash  
Dem man dere's pockets are brass  
And all now they talk about waps

Diamonds turn her to a squirter

Drop top Merc with some g's in the side

I was in jail that's bowls of oats  
Now it's 2 Pyrex bowls of coke  
Still fuck with the press as well  
Got corn for the opps of course  
And extra ones for the rest as well  
Last pack that I got was petrol  
I swear this ones got a lesser smell  
Shiny shoes with the spikes  
But I still spend cash on bells and pipes  
That's me and bro tryna slide and fry  
Then set man's clothes a light  
Gorgeous ting on the gram I  
Just give her a like or 2 that's licked  
2 weeks later she's mine at hers just holding pipe for pipes  
Day in the life of Trap won't hear me lie on the track that's facts  
Yh it was us in the cut with waps all black on nothing but wass  
Step with the 12, 2 loaded barrels opp boys throwin the towel  
Get caught with this then its back to the showers  
Radox gel and a flannell
