Gave you the bag, of course (Yeah)
Wait, let me land before
I know you know, but I'm still gonna tell you

Why I act like I like shit perfect?
And, I can't stand the whores (Uh)

My main one want me to do her the same, now it's gettin' all weird

I like bad girls and I can't hide it, I want a good girl, but it's all timin

Told my good girl, "Don't ever be like my bad girl," but I wanna be with my
bad girl, it's sad

You say you don't like BBLs
When I said I wanted to get my body, you were dissin' me, it's a problem
But, all I see you likin' on Instagram is girls with BBLs in bikinis
If I post a picture with a bikini, you're down my neck, it doesn't make any sense
