

## Interlude

K-Trap

(Nathaniel London)  
(Remedee)

You wanna go Novi' and order a pornstar  
And show Snap your order?  
Have you ever been A Jeweller?  
No, cah you ain't been with a baller  
Do you wanna go Marbs when it's poppin'?  
Or fly out to somewhere tropic?  
You wanna go spa, then after shoppin'?  
Let me know, I got it

Let me know if you wanna do big on big or do the familiar shit  
Let me know if you only wear PLT and wear the familiar fits  
You calm with your body, I wanna make edits, have you got good credit ?  
Are you less is more or when you see the Insta' girls, do you kinda beg it?  
You wanna stay natural, have you got some now? You wanna get tattoos  
Want a good or bad yute? When your friends post you, do you tell them at you?  
Let me name some countries, have you been there?  
What'd you do for your skincare?  
Did your first boyfriend get you a Moncler? Think we all been there  
Is your IG private? All the guys in your DMs, you kinda like it  
Anything you ain't tried yet  
Tell me what you like and what you're not liking  
Uber, are you driving?  
When you're drunk are you rude and end up fighting?  
Are you one for the timing?  
Are you naturally swaggy or need some styling?  
Are you sly or two-faced?  
You like clean fits or you wanna see me with two chains?  
You know 'bout Rollys, you likes chocolates, green with the blue face  
Tell me the truth, if I see the opps would you tell or tell me to shoo ot?  
Tell me your mood, you like bosses, one that'll tell you what to do  
Some sexy shit  
AirDrop now them sexy pics  
I know your friends say you're getting thick  
Tell them, "It's sexy fish"  
I wanna know everything relevant, even irrelevant  
Positives and negatives, wanna be serious or you like friends with be nefits?

You wanna go Novi' and order a pornstar  
And show Snap your order?  
Have you ever been A Jeweller?  
No, cah you ain't been with a baller  
Do you wanna go Marbs when it's poppin'?  
Or fly out to somewhere tropic?  
You wanna go spa, then after shoppin'?

Let me know, I got it
