Mad About Bars

K-Trap

Last Whip II out now
What you sayin' Trapo? It's been a minute since we linked up, ahlie?
It's also been a minute since I last said this
It's about that time
(Pro-rec-teron, nact)
We give the streets what they really want
(M1OnTheBeat)
K-Trap, Mad About Bars (If you know then we know, NatsGotTracks)
Bow down to one of the greats

Hate when they give me a reason, but when I look back, they never do (No)
Louis slides when I walk on sand, but in the UK, gotta step with shoes (Trai
ners)
Climbed on the roof, two .32 tryna wet the room (Wet)
When I had a video shoot, brought SK down on electric scoot' (Grrt, bap)
Nothin' but truth, my man lacked, caught nothin' but poof (Bap, bap)
Bro said he got him with a forty smooth, should've dropped that, I thought t
hat too (Huh)
They love when I talk the stuff (Mm, mm)
Thirteen in the clip, it's sorta stuffed (Mm, mm)
Ain't no cap in my lyrics (No), break down every bar (Yes)
Bro went and put the whole brick in tickets (Tickets), break down every bar
(Yes)
'Member when they showed me the tech, I swear I had a tekky past (Tekky)
Told me I weren't gettin' in with the spinner, I told 'em, "Yes, we are" (Ye
ah, yeah)
Man with power
Made a brick turn rock weight, give me an hour (Take that)
You know the sayin', come out sprayin', really tryna give him his flowers (B
ap, bap)
You ain't done a petrol run later that night try get someone (Yeah, yeah)
I'm from the 9, but still don't go outside, we're gettin' it done
I ain't seen a rusty hammer in years (Years)
Bro went a party without no bine
I gave him the deuce, he had nothin' to wear (Huh), I think that's fair (Huh
)
White bells and twelve, screw 'fore the handle's wear and tear (Tear)
Two opp blocks and they're both close, we're doin' up there and there (Yeah,
 yeah)
We're doin' up him
Wanna know my ethnicity, lean out the ride, let my shoulder fling (Baow)
Ricochetin' off cars, sound like a BlackBerry ping
Ever see Peewee grin, just know that it rather sprayed or spin (Bap)
Corn go off, you can run or swim
Don't even need locks (No)
Just a bike and bine, they'll l tape that scene off (Yeah)
Fifteen and a G lock (Bap) and now the podcast, we can do it with three shot
s (Three)
You ain't ever got somethin' down and you're rushin' back, feel the thrill (
Hah)
Turn off most these rappers, I can't relate, I don't feel it's real (No)
My lips are sealed, but I know a few man got pitch for real (Shh)
They know how we come, but they're tryna talk down on the drill like Zeze Mi
llz (Argh)
Lie if you want
Tell my young boys, "Hustle, slide if you want" (Yeah)
Try me it's long (Long), we soon get my man, gang been tryin' for long (Yeah

)
Put him on a tee, got new hollow points, put them in the glee (G lock)
Fifteen when I tested the mash, there was barely opps, I put it in a tree (H
mm)
Different kettle, I can do different day, got a different kettle (Different)
Got a collection, I can do different day, got a different metal (Bap, baow)
Trap line goin' all day, six figures a phone then I throw it away (Throw it)
Got me a sale, I pack me a bottom and top, now I'm goin' away (Huh)
Pass me the NutriBullet, I blend it down and I ain't even had my five a day
Phone up Dexter, get it in the lab, get the whole pie remade (Yeah, yeah)

It's comin' too easy (Pro-rec-teron, nact)
They're don't walk it like this (M1OnTheBeat)
They don't talk it like this
They don't get it out the 'Rex and fork it like this (Mm)
Last Whip II, free the guys, baow
