Thin line between love and the hate (love and the hate)  
First out in the A.M scheming, "We up until late" (We up until late)  
Hand in the pot, it's a major scrape  
Residue on the day-date (Mm)  
Two bitches tookem' on the same date (Mm)  
Handle the birds, we flyin' em straight (Straight)  
Hand in the pot, it's a major scrape (Major, major)

Residue on his anniversary (Ugh), had this stamp last year  
Usin' the same fork and bowl (Mm), feels like my anniversary (Mm)  
Left that dirty 'Rex at Paul's, I bet you he scrapes and makes it percy (Wet )  
Left that dirty .12 in the hall (Yeah)  
With a mop, with a clip, that's curly  
Brick and a pot in my Rollie hand, give or take, that's 90 K (90)  
Two dates, one day, I gotta rock up early in Novi late (Nyoom)  
Six in a tray, ten in a whoosh  
Skeng in a bush, campin' time to shush, quiet (shh, shh)  
It's fryin', I just scraped two Pyrex bowls, of course I'm tired (Yeah)  
Need me a break  
If I bust this brick, got a Naija plate

Making this gwop from a estate  
Whippin this pot till my wrist ache  
Baddini buss it 'til her back break  
Tired of picking niggas up, need a back brace  
How you niggas runnin' in a rat race?  
Skeet on her lips, she in a nut face  
Who gave my nigga a MAC? (Tshh-tshh)  
He a nut-case  
Everything I do is major, major

Never signed to no major, major  
In the streets, it ain't no major, major  
Addicted first time I made a paper

I signed to the label (Yeah) and left the label (Yeah)  
Through all that, I had yola sellin' (Yeah)  
Caught with this 1008 of small, I'll end up in laundry foldin' beddin' (Ugh)  
Tick you a brick, you're gonna need credit  
And if you don't pay, it gets unpleasant (Nyoom)  
I know I don't stay, bae gets soft stressin'  
Why when I cook, does it get in messy?  
Brick in the yo for the low  
Press it, still gonna go, I'm sure  
Triple the raw (Triple it), put it in spray, lovin' the score
