

Old School Era

K-Trap

Tsh-tsh, tsh

Cool with the diggers (Cool with the diggers)
Cool with the clappers (Cool with the clappers)
Cool with your bitches (Yeah, yeah)
We ain't cool with you rappers (No)
Two hands tryna wave it frontwards (Frontwards)
Put him in a back woods
Young, but bro said I move like the old school era (Era)
I know he ain't cappin'
Star in my prime (Prime)
But I still got a car with the star behind (Yeah)
Let the old lady past then blast (Bow)
Tryna do it polite (Yeah)
Watch bro get the W, I'll drive
Do it on the W and the drive
Bitch in the car, she don't know we're live
She's looking away, she's shy (Shy)
G63 at the petrol station (Nyaom)
8 minutes to fill up the tank (Tsh-tsh, tsh)
Take 2 minutes to fill up the mash (Shh)
Quick, let the trey recoil
Bought two, does that make me spoilt? (Does it?)
Rusty heat, no WD, we gotta use baby oil (Yeah)
Turned Lambeth upside down
All these 9s and .38 auto sounds (Tsh-tsh, tsh)
Hit him in his hat and it brought him down
G-Lock with an extra leg
One foot on a peg squeeze tryna put him to bed
New school era, they're pulling out phones
We pulling up leaving a mess (Yuck)

Think they do it like us, but we're so much clever (Clever)
So much pressure, gotta teach them cos they don't know much better (Ugh)
Brick on the scale, but I already know the measure (I do)
We just getting it done and won't say a word, like the old school era (Huh)

Somethin' gets done then (Shh-shh)
Fill it all up then (Baow, baow)
No key in the car just (Push)
Got a key in the trap I (Whip, whip)
Seen him there, done him up word, done left shit medium rare (Yeah)
You see the flare, 9 out of 10 the machines in there (Got it)
Two in the dots, now the shoes got air holes
Looking like Crocs, don't care what it cost (No)
I feel reimbursed when somethin' gets got (Huh)
Cool with the shavers, cool with the bakers (Yeah)
I ain't cool if you lose it, but I'm cool with replacements

Think they do it like us, but we're so much clever (Clever)
So much pressure, gotta teach them cos they don't know much better (Ugh)
Brick on the scale, but I already know the measure (I do)
We just getting it done and won't say a word, like the old school era (Huh)
