

PLAZA RIDDIM

K-Trap

I got the guala
The girls dem, they wanna holla
I don't want no drama
Take her back to the plaza
And I say, hey, shorty, hey, shorty
Can we get naughty, naughty?
Hey, shorty, shorty
Can we get naughty, naughty?

Slide in her DM with the VN
Baby, I'll be there by the PM
Pull up in a Merc, Range or BM
Car so nice, got the neighbors preemin'
Or I could get the car with the stars on the ceiling
Baby, come and stay at the shore for the weekend
Naughty and she just wanna clam up
Gotta turn the volume right up
Ball a baller, shoot a shooter
Gun play, better soon or sooner
All this water, I swear I couldn't get cooler
Stand there watch the man there talk 'nuff
Fed her at the restaurant, jump out, walk up
Bust down hand up like, can I order?
Backroad long, so the feel's light
She said, livin' this life must feel nice

I got the guala
The girls dem, they wanna holla
I don't want no drama
Take her back to the plaza
And I say, hey, shorty, hey, shorty
Can we get naughty, naughty?
Hey, shorty, shorty
Can we get naughty, naughty?

Step inna dance, I'm like a gigolo
The man dem hate, 'cause I got bigger dough
The feds want my brother on the low-ski
I know my bro fucked up, but that's my jigga, though
You get me, chief?
Ya baby mama wan' come sex me, chief
Talkin' 'bout, he better respect me, chief
You ain't ballin', ya man are like husky, chief
Who am I?
Bitch, I'm a uni dropout
I bought a K strap with the toolie, watch out
All I ever listen to is Janet Jackson
Especially when I saw that boobie pop out
Now I'm ballin', they say I'm peng
All my guns are ten of ten
I wrote this song gettin' head
(I love gettin' head)

I got the guala
The girls dem, they wanna holla
I don't want no drama
Take her back to the plaza

And I say, hey, shorty, hey shorty
Can we get naughty, naughty?
Hey, shorty, shorty
Can we get naughty, naughty?
And I say, hey, shorty, hey shorty
Can we get naughty, naughty?
Hey, shorty, shorty
Can we get naughty, naughty?
