Me and bro split up on the opp block  
Tape off two sides  
Dutch pot [?], all day I've been flicking my wrist, I'm tired  
I ain't got no slatt or slimes, just horrible men that go when it's time  
Black and proud, still datin' my colour  
Party came with a Browning 9  
They wanna see Trapo live  
They don't know when I go, I'll bring it in live  
And last time somethin' got fried  
Tried, I tried, interviewed twice  
Live your life, don't act like you been outside, it's long  
Started a problem, came back there with a .44 long  
Wrong and strong  
Talkin' like he want static  
Must be wrong, I'll go correct him  
Select it, put it on burst, it's long  
GPR on my hair and arms  
So I can't sit in that sauna long  
Scrape that Pyrex, even the bottom  
Then I link shorty, too much top  
Growin' up skrilly, impeccable works  
Taped up too much blocks  
'Part from Peewee, I ain't seen no-one move like Bon  
Got in her place, told her "babe  
Careful now, this 40's cocked"  
Done it in Burberry twice in a row  
Now I ruined a Dior drop

Lock off that party, I owe the birthday girl a present  
Got that drop and sorry I had to be present  
Shop with bae, Snapchat on open  
'Bout to get all my shorties jealous  
Shower posse, better get bare umbrellas  
Shellers, would'a been global but we got too much felons  
Toby bought that spar, sorry I been a kwenger  
Jem 4 for 6 but came with 30  
Better get 2 more tenners  
I just set up one more bando, now I need 2 more tenants

Yeah, local dealer  
Traphouse, cocaine  
Shooters, and bro quite eager  
In this jungle I'm a cold hyena  
Yeah, paper journey  
Wake up early right next to a naked girly  
Ooh, that's an expensive line  
Babe, can you come serve me  
Yeah, when it's expensive time  
Please, no-one disturb me  
Packin' it  
I had it in here  
Baggin' up  
A rap bag get in there  
Couple MACs in a pair  
Go get my bag, put my baggage in there

Hollow back in the place  
Hat and a jacket like Paddington bear  
Look at this fall, biggest debacle  
Talkin', make an example  
Shits lit, and it can't get bigger than dancehall  
I'm a king, I wanna live in a castle
