Yo

Touch that mash, bro, put on that PPE

Stop there, somethin' got got there, it was a lot there, you should've seen the scene (Yeah)

We ain't doin' no GBG (Yo), it's a TBC, get a broom and clean

Had a rusty one, that was through my teens

As an adult, I patterned up new machines (Baow)

As a boss, I landed bricks of raw, pack needs blandin' and mixin' more

Sixteen in the scorps, fix the score

Had a **** and a ****, should I list some more? (Huh)

Ready for war (Ready), would've thought that we came in a horse if you saw the fours (Forty)

Clip holds a score (Grrt), push down so much corn and my finger's sore (Argh, spin it)

Link said he's sendin' five, let me take my time, let's start with pairs (Two of them)

Do it on the Mane, like J, got whooped in the rain, let's start right there

If I five them a half a square and a whistle, it's gonna be hard to hear

Hear my man's there, I'll send barbers there (Go there), don't need a barber chair

Took shots and I didn't see a camera there (Baow, baow, baow)

Remember when I let go of the three-

eight auto, everyone was standin' clear (Grrt)

It's long for you

Yeah, I rap now, but I still contribute

How you think this got there and that got there and Trap weren't there? (Huh)

Co-exec', cold when we step, you know the rest, don't throw on a vest (No)

No point, we goin' for heads

No joy, we go on again (Spin it)

See me at fashion week and forget had half of the borough stressed (Yeah)

Unleaded dinger and we got other lead

Touch that mash, bro, put on that PPE

Stop there, somethin' got got there, it was a lot there, you should've seen the scene (Yeah)

Try shoot man's face with the twelve (Baow), now it's photoshoots, I got press to do

Smiles when the gang get one, but don't mean we ain't got the rest to shoot (They're toast)

Stick to the plan, rapper now, but I know they'll step for man (Step)

Two spinners, they're twins (Twins), could've been death if it didn't jam (Baow)
Four-four got a bigger bang, but the AK taller than Likkleman (Huh)
Shooter and a driver (Driver), don't get twisted 'cah the designer (Poor)
Went A Jewellers, spent a quarter, got more water than Tyla (Huh)
Turned out the borough when they try diss me (Diss me), I know they thought
it was minor (Fools)
Diss who? Live where? six K outfits, outside of that, I'm in gym wear
Wet that, he ain't got swimwear (Baow)
Hand ting down the road, remember I had to sprint there (Runnin')
I felt like We Buy Any Car, got two fast cars for the steppers (Two of them)
Bought two treys, one came with six, one, five, I can start with eleven (Eleven shots)

Touch that mash, bro, put on that PPE
