

# Whip That Work

K-Trap

(1-6, 1-6...)

I hear the talk but I they don't wanna playlay (No)  
No jewels inside but that wap collection cost you dayday (Two)  
M10 or the SK oh nah I can't bump into a AK  
00 to the trey, ay (Trey)  
If me or the fans could trade place (What?)  
They see how man patterns (Trapo)  
Good one let me blow her back in  
Knew it would happen, I'm fresh from Hatton (Garden)  
If I throw that bag, best catch it, said she wants CC's matchin' (Matchin')  
That's a ten and a four, sexy thing, she ain't been there before  
And she ain't met niggas that sell it before  
And she never fucked on the twentieth floor (No)  
I doubt it much, you ain't lethal, deal with the power, it's us  
It was my man's bit where they founded the drugs  
My man's crib where they founded the  
Can't finish that line  
Free bro, soon finish his time (Free him up)  
Fork in the pyrex, four and a nine  
Tryna scrape it out like, "Gimme what's mine" (Give it)

Whip that work, my jewellery on, that's extra ice (Extra ice)  
In the store and I know what floor I'm on, I don't check the price (No)  
Top floor for the pent', check in two nights (Two nights)  
Half brick in the presser, that's two nines (Two corners)  
Whip that work, my jewellery on, that's extra ice (Ice)  
In the store and I know what floor I'm on, I don't check the price (No)  
Top floor for the pent', check in two nights  
Half brick in the presser, that's two nines (Two corners)

Two fifth and a press machine, now I'm extra clean (Steppin')  
Told shorty, "Carry on bitchin', you're gonna see less of me" (Goin')  
Got a brick on Monday, Thursday it's gone, what a excellent week (Excellent)  
Even though she a hot girl, she gotta respect this G (Trapo)  
I really do it and dash off (Dash off)  
Two man deep, tryna crash off  
Jugglin' both when we had that MAC  
Ten on the road, stu' it's a laptop (Both)  
Bad little fire with the back off  
Took her north, didn't know what the crack was (What?)  
G63 with the red glass, now she wanna take that pant off  
VS1, that's clarity there (Clarity)  
Try grab it, you dare (Go on)  
That'll make it hot, now you got my man tryna fan it in there  
Dior runners, grab me a pair  
Pass the top, jacket too  
Throw it in a pot, spin that fork 'round  
If it don't lock, back that food (Take it)

Whip that work, my jewellery on, that's extra ice (Extra ice)  
In the store and I know what floor I'm on, I don't check the price (No)  
Top floor for the pent', check in two nights (Two nights)  
Half brick in the presser, that's two nines (Two corners)  
Whip that work, my jewellery on, that's extra ice (Ice)  
In the store and I know what floor I'm on, I don't check the price (No)  
Top floor for the pent', check in two nights

Half brick in the presser, that's two nines (Two corners)
