

Bottom

K.A.A.N.

Yeah yeah yeah yeah yeah...

You could meet me at the bottom bro, take your whole life with ya
We could make it up and out the mud, take your whole life with ya
And I'm doing shit I said I would, hope it's alright wit' ya
You could meet me at the bottom bro, take your whole life with ya

Now would you hate it if I got involved
I got a Kobe, need to add a Ball
Oh yes of course we over here to ball
[?] here at all
Cause I don't make bands, I am just here to make fans
I catch 'em like Ketchum, again
High in demand, I just needed some kind of a plan
I proceeded to reach who I can
Now I got 'em like I stole 'em from you
And I come up from the bottom like I'm really rollin'
We could talk about [?]
Feed me like I'm hungry, eat opponents
Treat 'em like lunchmeat
Bout to go in [?]
Go for broke, I'm always on it
Always on it
Always on it, never off it
What a prophet, meet me at the

You could meet me at the bottom bro, take your whole life with ya
We could make it up and out the mud, take your whole life with ya
And I'm doing shit I said I would, hope it's alright wit' ya
You could meet me at the bottom bro, take your whole life with ya

My nigga gon' slide on through, make a major move yeah
Young nigga don't fall
I just can't change, I remain, I'ma stay the same yeah
Tell 'em that I want it all
Tell 'em that I wanna flow, back up this shit and then go
All my niggas on the road, all colors indigo
I'll take your shit on the [?]
Rose from the concrete, then [?]
Nigga don't get exposed
God damn nigga where you been
It's been a motherfuckin' minute since the last time
You clocked out at half-time
And the game, well it ain't the same now
A lotta shit done changed, you probably won't adapt to this
You blasphemous bastards I'm bashing
And then running off with the list
But half of these rappers would rather revert to the bullshit
I'm off [?]
Roll it up and smoke the whole thing, yeah sorry-orry

You could meet me at the bottom bro, take your whole life with ya
We could make it up and out the mud, take your whole life with ya
And I'm doing shit I said I would, hope it's alright wit' ya
You could meet me at the bottom bro, take your whole life with ya
Meet me at the bottom bro, take your whole life with ya
We could make it up and out the mud, take your whole life with ya
