Uh huh
Don't touch it let the motherfucker rock right
Nah nigga let the motherfucker rock right
Leave it on the stove, let the motherfucker rock right
Don't touch it let the motherfucker rock right
Leave it on the stove, let the motherfucker rock right

Paranoid than a motherfucker, who dat at the door?
Swear to God I heard a motherfucker knock like

Beauty's in the eye of the beholder
Thought a motherfucker told ya
Second coming of Jehovah
I turn you into believers
You followin' a messiah
I'm practicin' what I'm preachin'
Persistent with my desires like
Beauty's in the eye of the beholder
Thought a motherfucker told ya
Second coming of Jehovah
I turn you into believers
You followin' a messiah
I'm practicin' what I'm preachin'
Persistent with my desires like

Poppin' an Oxycontin while pocketin' vials of Vicodin
Propaganda for popular protestants lacking conscious'
Properly prophetize to prioritize like I'm sortin' 'em
Murderin' any challenger challenged by this coordinates
I let my verbs flow 'cause it shows whenever you're forcin' it
Torturous like a sorcerer philosophically anabolic
Like dirty Diana's with answers but ain't none of 'em honest
A modest accomplice with poetry in the composition
Make you nod your head the proliferation of written thesis
Epileptic seizure procedure as prestigious as Caesar
In his El Camino playin' [?]
With a misdemeanor and an ounce of reefer chiefin' on a chiba
Eyes to the floor down low lookin' slanted to people as [?]
Conan the barbarian the Escobar in the populous
Popular when I'm posthumous
Revere like your reverend servin' 'em with a reverence

Don't touch it let the motherfucker rock right
Nah nigga let the motherfucker rock right
Leave it on the stove, let the motherfucker rock right
Don't touch it let the motherfucker rock right

Ronald Reagan the era
From concord to contradiction
To Noriega the heretic
Chokin' off of the carcinogen
Coughin' blood on the cardigan
Aneurysms are stomached
For mannerisms to plummet
If written diction with diplomacy
This political heresy laceratin' the lyricist
Givin' sinners the synonyms intervenin' your sentences
Convincing you I'm demented to get mental dependence
Based upon this intelligence vandalizing any amateur
Turn 'em all into venison
Televangelist constantly rantin' for ransom
'Bout as fuckin' random as my sanity
Insane from the pain as blasphemer of vanity
Bandage shit like I'm Anakin brandishing lightsabers
One hell of a lifesaver concentrated like molasses
Sweet enough to cause cavities this grammatical causality
Paintin' the Mona Lisa this a mothafuckin masterpiece
I never dramatize traumatized from reality

Uh huh
Don't touch it let the motherfucker rock right
Nah nigga let the motherfucker rock right
Leave it on the stove, let the motherfucker rock right
Don't touch it let the motherfucker rock right
