

# Dope

K.A.A.N.

Aha  
Eh  
Lawd  
Huh

When I relapse  
To a dope beat  
Stuck in a trust  
Like a dope fiend  
I have been there for a few days  
And I wrote a rebuttal like touche  
I'm dope  
Tell other niggas I'm dope  
Tell everyone I am dope  
The fuck did you know  
Tell other niggas I'm dope  
Tell everyone I am dope  
Lawd

Can and my effort has been  
Murder the flow with a cynical rhyme  
Living the ledger  
I swear that I do it  
I'm proving my greatness  
Well every time  
24/7  
Not taking a break  
No need for sleep  
I am chasing a dream  
Man they have seen that I'm quick  
But I'm blockin' out that Negativity  
I do not need it  
I'm back on my shit  
Tell me how you disagree  
Payin' the fine and the fee  
But I'm finally free  
But what I spit is unique  
Feel the lyrical physique  
Never been weak  
I got intestinal fortitude  
Forcing myself to commit  
I remise  
On the gift  
Of the gab  
That I'm given  
I gotta vent  
And glorify the tradition  
I'm gratified  
But I can not tell the difference  
I focus on giving  
The positive image  
My vision is one of a kind  
I am sublime  
I don't plan on wasting your time

When I relapse

To a dope beat  
Stuck in a trust  
Like a dope feind  
I have been there for a few days  
And I wrote a rebuttal like touche (Ends second time)  
I'm dope  
Tell other niggas I'm dope  
Tell everyone I am dope  
The fuck did you know  
Tell other niggas I'm dope  
Tell everyone I am dope

Don't give your opinion  
I'll probably ignore it  
I'm more in the sub and the bass  
I've been in the mood  
But I never confuse  
The real or the fake  
Accepting my fate  
Attempting to give you the grace  
They love or they hate  
Created the sound  
I gotta give you something that's authentic  
Or rid the repentance of pain  
I'm lacking of personal gain  
To build up my character  
Carry your weight on my shoulders  
I show 'em a sign of my strength  
I never pray for a lighter load  
And I don't complain about incidentals  
I just stay focused I know what I want  
So I work to achieve what I see in my dreams  
What if I never sleep til the moment I feel satisfied  
Man I'm stressin' bout what I cannot control  
I been thinkin' bout time in a sense that it never has been on my side  
How can I enjoy the ride if I'm always uncomfortable  
Never complacent but beggin' for peace  
I'll forever be dope and I'm reigning supreme  
With the mind of a King I got nothing to lose
