

# Good Intentions Freestyle

K.A.A.N.

I don't need no conversation  
Feel like I need compensation  
I get on these records  
And I just make simple observations  
Never lost my concentration  
Due to contract obligations  
I just keep my head down in this race  
While the competition runs out of patience  
Navigating through the ups and downs  
I don't aggravated  
New addiction  
Stamps on my passport from these foreign places  
No religion  
God as my witness so let's see where he takes us  
No revision  
If I write this shit then don't adjust the phrases  
Goodness gracious  
When I finally make it Imma thank my faith  
The only thing that kept a nigga sane  
Through trials and tribulations  
Going crazy  
You can call me many things but never lazy  
Viewing my perspective through this camera lens like Scorsese

Sometimes I feel out of touch  
My nephew send me records  
I don't understand a single one  
Like nigga what's yo perspective  
Where the fuck are you coming from  
Cause when I started rapping  
Everyone didn't rap about guns  
Some niggas rapped about weed  
Some niggas rapped about fun  
Some niggas rapped about hoes  
Some niggas rapped about funds  
Some niggas rapped about how they flows  
A superior one  
Some niggas rapped about packing shows  
Now they rap bout big stepping  
I guess that's the way it goes  
Call it disconnect  
A lack of intellect  
But they don't get it yet  
Think more about yo income net  
And less about the internet  
Restrictions set  
Before you stuck in debt  
I'm talking check to check  
But if you feel that shit you spitting  
Say it with yo fucking chest  
And scream it at the top of yo lungs until  
You run out of breath  
Just give it to the game and don't leave nothing left  
I must confess  
That you don't wanna have to learn how to live with regrets  
Cause Father Time is undefeated  
Just thought I'd get you abreast
