-Uh yeah, you, flowery overalls

-Good evening... Uh, I just wanted to say thank you for coming to campus tonight, and uh, presenting your point of view, it's always valuable to have

-Yeah, yeah, yeah, and the answer to your question is uh

-Um...

-Let me tell you a little story a loved one once told me

You know there's only two options for your monkey ass since you wanna drop out of college and shit

-Could you just please answer the question?

-Don't interrupt me. And so according to this loved one I only had two options: either dead or in jail

I said "bitch I make beats". Wouldn't there be a show to watch me fall, who else is hating?

Tell 'em all to gather 'round, you might get lucky
