K.A.A.N.

I know
I know you're working
I know you're working on something real big
Is there anything I can do to help?

Stay the fuck out of my way
Niggas ain't stop my way
Stay the fuck out of my way-y-y-y-y
Stay the fuck out of my way
Niggas ain't stop my way
Stay the fuck out of my way-y-y-y-y

When I roll up, then I roll out
Got my doors up
Now stay the fuck up out my way

I said
There's no equivalency to
What a nigga finna do
Hit 'em with the stinkin' mood they never saw it coming neither, that's the truth
There's no equivalency to
What a nigga finna do
Hit 'em with the stinkin' mood they never saw it coming neither, that's the truth
Another level you can never touch
My nigga please, my shit is better, eh
I get on a beat and I murder whatever, my nigga
My shit is clever, eh
There's not enough time
From where I sit
I see the writing's on the wall, I never slow down
Got it all on my mind, let me get it off
I wanna move until I'm-

Stay the fuck out of my way
Niggas ain't stop my way
Stay the fuck out of my way-y-y-y-y
Stay the fuck out of my way
Niggas ain't stop my way
Stay the fuck out of my way-y-y-y-y

When I roll up, then I roll out
Got my doors up
Now stay the fuck up out my-

Had the motherfucking best plan
