

# Out The Loop

K.A.A.N.

Ay start it from the top  
From the top, awoo, eh, aha

I'm out the loop (loop)  
I'm out the loop (loop)  
I'm out the loop (loop)  
I'm out the loop (yeah)

I'm out the loop, I'm out of space, I'm out of place, I'm out of time  
Out of love, all out of trust, I'm out of luck, I'm out my mind  
I don't see them dollar signs  
Outta sight I'm going blind  
You get yours, I'll get mine  
We'll be fine, that's the truth  
And I'm out the loop

I'm out the loop, I'm out the loop, I'm out the loop  
I'm out the loop

I'm too high for this altitude  
If you ain't the same, shame, shame, shame  
I can't live like these people do  
They playing games, games, games, games  
Who am I to that chicken coup  
It's a race, hot pursuit  
Get it all, it's meant for you  
Non' to lose, I'm out the loop

Out of the loop I can't stay down for too long  
[?] right can't tell me that I'm wrong  
That's a lot of bullshit, your BO clean your drawls  
Wouldn't want to walk a mile in your shoes or wear your clothes  
I don't wanna make mistakes  
I know how a failure tastes  
I don't wanna blend in with them 'til my light get dim and I get replaced  
Good God, I'm onto something  
I can't slow down for nothing  
Rolling with the punches the way they coming  
I got more power than raging thunder  
I can sum it up with a few words  
This shit get wild, get absurd  
[?] give a fuck what you heard  
Better stay in your lane, don't get hurt  
We could put him in the ground, put him in the dirt  
If it don't work, well I'll learn

You get yours, I'll get mine  
We'll be fine, that's the truth  
And I'm out the loop

I'm out the loop, I'm out the loop, I'm out the loop  
I'm out the loop

I'm too high for this altitude  
If you ain't the same, shame, shame, shame  
I can't live like these people do  
They playing games, games, games, games

Who am I to that chicken coup  
It's a race, hot pursuit  
Get it all, it's meant for you  
Non' to lose, I'm out the loop
