Ooooooooooooooh

Ooooooooooooooh

Time keeps on going by, I lost the day
Rushing when you leave, you never stay
Rushing when you left, you went away

These memories are vague they feel like

Ooooooooooooooh

These memories are vague they feel like

Ooooooooooooooh

Time keeps on going by, I lost the week
Lost my will to fight, how can it be
No longer in touch with what I see

These memories are vague they feel like

Ooooooooooooooh

These memories are vague they feel like

Ooooooooooooooh

Time keeps on going by, I lost the month
Don't know who I am or what I want
Lost inside my thoughts, I can't get out

These memories are vague they feel like

Ooooooooooooooh

These memories are vague they feel like

Ooooooooooooooh

Time keeps on going by, I lost the year
Trapped inside perception, lost in fear
In a cloud of smoke where nothing's clear

These memories are vague they feel like

Ooooooooooooooh

These memories are vague they feel like

Ooooooooooooooh
