So fast  
Slow lane  
Go hard  
No pain  
Spark a match  
Lighters up  
Sirens on  
Don't give a fuck  
Don't give a fuck

Uh, uh  
I took a roll of the dice  
11 passes in a row [?] all of my time  
A hundred years from my prime  
I'll never reach my potential  
I kill the beat then play that shit back  
I call that shit Tormental  
I got these stories and poems  
I pass 'em off to y'all  
My aura's golden  
Just know that my shit is different dawg  
There ain't no bitch in my bloodline  
It might be some in yours  
But who am I to judge  
That's just not in my lineage  
Ain't gotta tell 'em I show 'em  
AIn't gotta sell 'em they buy it  
Y'all with the same old bias  
Y'all put the game in compliance  
Crucified and you Pontius Pilate  
I can vouch for myself, not you though  
Money ain't real threw it out the sunroof of a 2 door  
Kudos  
Back to the drawing board as I plan  
My thoughts get deep my mind keep expanding  
Fuck you think this is? I ain't playin'  
Fuck you think this is? I ain't playin'  
Fuck you think this is? I ain't playin'...  
Bitch move

I keep it movin' bitch I do this won't be stopped by Crown Vics  
Instead of movin' on your own just play your part in this script  
The false prophets idolized I don't believe in that shit  
So  
Hold up tell 'em pause  
Mother fuck these frauds  
Bitch Imma do it like  
Bow down to the god  
This shit no façade  
Tell them muthafuckas I  
Keep you at a distance of you need to know  
Don't speak my name  
Nigga please  
I need plaques and aberdeens  
A baker's dozen I'll take three  
Like the price went up  
You better believe  
Nigga pay that fine

Never waste my time, I go OD,  
O.T., no sleep G.O.A.T.  
That status that I'm tryin' to reach  
Why not?  
(Drivin' in a convertible no top)  
Man it's only filled or pre occupied  
Or is it?  
Seen the writings on the wall  
It's clear as day as I see you  
Bitch move

But your blockin' the vision like a solar eclipse  
You get too close to this star you'll burn out like Icarus did
