Watch this
Watch this
Watch this, lil bitch
You forgot the rules of attraction
Gettin' the last laugh, satisfaction

Funny, funny, funny, funny, funny how the tables turn, how the tables
turn uh huh
Be careful who you shit on coming up
'Cause you gon' see 'em coming in on your way out
Fuck you, fuck you, fuck you bitch
I ain't got the time today
No time to waste
So out the way
Thank you, thank you very much bitch

Make a way (make a way)
Back the fuck back, back, back
Let 'em hate (let 'em hate)
You know I love that, that, that
Not today (not today)
I ain't got nothin' for that
NDA (NDA)
She gon' sign that, that, that

I feel like this, what can I do to make these niggas envy me?
I drop the bomb, I drop the bomb, I'm TNT
Then watch the rubble crumble underneath my feet

Paranoid, schizophrenic nigga, I don't get no sleep
Peek around the corner, looking over my shoulder
Run 100 blocks until I feel like the dope work
You reaping all the benefits of everything I shoulder
You don't rebel muhfucka, you just

Watch out
Y'all doin' too much
Look at me, I blew up
Said I ain't the one, I'm two huh?

Funny, funny, funny, funny, funny how the tables turn, how the tables
turn uh huh
Be careful who you shit on coming up
'Cause you gon' see 'em coming in on your way out
Fuck you, fuck you, fuck you bitch
I ain't got the time today
No time to waste
So out the way
Thank you, thank you very much bitch
