

The Commitment

K.A.A.N.

Just another day, just another drop
One more fucking hit, I can't get enough
See I'm calling love, won't you pick it up
I can't call it love
I don't call enough
That's my calling card
Call it what you want
Last year, I ain't have the time for it
I had to grind for it, was on the ground floor
We had Hanes on but wanted Tom Ford
A force of nature, found it (yeah yeah)
Time revolving, I'm evolving, think we grew apart in our (own way)
Separated, not connected, feel the strain has been weighin' (on me)
A little more time and we'll get it
U.N.I.T.Y is the vision
No "I" inside team, I get it
Me without you is not living

Don't need no permission if it's all mine (all mine)
We ain't got no limit, yeah it's alright (alright)
This may take a minute, it's a slow grind (slow grind)
Just pick up your line when I call, I, no I, just stay with me
Don't go-o-o-o
Don't play with me, no-no-no-no-no
You and I, that's for sure-oh-oh-oh-re
Got a taste, I need more-o-o-ore

Rolling up, there's all this weed, we might get intoxicated
Oh this life can be so easy, we make it complicated
All this running round I'm doing, I just can't keep the paces
Always something, what's the problem, I just don't get it maybe
This ain't meant to be (be)
I might just leave and take a trip (trip)
I might not pick up when you hit (hit)
My line, my mind is in a mist, where do I begin, can't commit to this
Hope you sure of this, I've been over it, back and forth with this
I got shit to give, yeah I want this shit right now

Don't need no permission if it's all mine (all mine)
We ain't got no limit, yeah it's alright (alright)
This may take a minute, it's a slow grind (slow grind)
Just pick up your line when I call, I, no I, just stay with me
Don't go-o-o-o
Don't play with me, no-no-no-no-no
You and I, that's for sure-oh-oh-ore
Got a taste, I need more-o-o-ore
