

Way Out There

K.A.A.N.

Incoming

Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out there)
Watch where you roam, boy you shoulda known, nigga they don't play out there (play out there)
Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out there)
Watch where you roam, boy you shoulda known, nigga they don't play out there (play out there)

Oh, to be real in real life
Niggas don't know what it feel like
Said I got a little bit of insight
Put the shoe on if it feel right
You know you don't shine with a dim light
You might go blind from the hindsight
You might withdraw from the high life
The bitch gon' fall when the time right

Ain't that many motherfuckers like me
Highkey, I see
My niggas sick like we need a IV
Hi-C, OD
Bitch I'm the pick of the litter
Bro don't get mad at me, don't get bitter
Just get better, yeah boy keep your chin up
You're showing your skirt like a pin-up (a bitch)

I just wanna ball all day (all day)
Tryna max out my pay (my pay)
Musta blocked ten with another ten
With another ten to a hundred K (okay)
Niggas ain't wearing they heart on they sleeve
Boy my shit hot, it's a hundred degrees
Outta the box and you live on the grid
If you ain't with the shit, then bitch you can exit the premises

Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out there)
Watch where you roam, boy you shoulda known, nigga they don't play out there (play out there)
Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out there)
Watch where you roam, boy you shoulda known, nigga they don't play out there (play out there)

You can do what you want, you can do anything, don't disrespect my shit (don't)

If you ain't bring not a goddamn thing with you, don't interject you bitch
Hoe, that's a head-on, pileup, that intersection shit
We take the food outta your mouth, you anorexic, bitch
Never let these greedy motherfuckers in your section
Tryna bite the hand that feeds you, you gon' end up in emergency kid
Don't play with my bread, I'ma need that there, I want exact change
More money coming in that I splurge and spend, that's been my mindframe, rid
e taking up
Old flames, you don't want no smoke, you propane
Me and mine still living fine in nirvana like Kurt Cobain
I don't wanna hear how you took the dough but that shit ended up in hurt vei
n
And all these civil motherfuckers love a struggle
But they never bubble, they just running from it like a track team, dang

Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out ther
e)
Watch where you roam, boy you shoulda known, nigga they don't play out there
(play out there)
Throw it off, nigga I'm way out there (way out there)
A little bit off, zone of my own, nigga I'm way out there (way out there)
Never coming home, zone in my dome, tell me to stay out there (stay out ther
e)
Watch where you roam, boy you shoulda known, nigga they don't play out there
(play out there)

"And it looks like Calvin's got another job. Good for you, Calvin! Where you
working now?"

"Welcome to Wendy's, how may I take your order?"
