

Maria

I'm so drunk right now
Too damn turnt, I'm not touching the ground
Move with precaution, oh yeah
Didn't I tell you that I was awesome, hell yeah

I turn up the building, my hair on Brazilian but you know I'm chillin', yeah
I walk in the booth, I'm making a hit, just look at the ceiling, yeah
You know that I'm lit, two tone Rollie
Chandelier up on my wrist

I got a fast car
Late night I party hard
Chocolate shawty all up on me, touch my body parts
Not a human, I'm from Mars
I be shooting stars
Blowing rockets at them ... that think they cooler than us

I'm so drunk right now
Too damn turnt, I'm not touching the ground
Move with precaution, oh yeah
Didn't I tell you that I was awesome, hell yeah

Yuh, yuh, yuh
(Didn't I tell you that I was awesome, hell yeah) Yuh, yuh, yuh
Yuh, yuh, yuh
(Didn't I tell you that I was awesome) Yuh, yuh, yuh

Oh my swag, you can't steal my swag
Yeah okay, yeah, that's CC on my bag
Like, yeah, no way
Oh you tryna be like Kaash
I'm like, yeah, okay
This some ... you never had

Way too gone, they can't even see my face
Margielas on ice, a couple my fingers my way
Big baller brand, a Benz or Bentley, okay
I'm doing the most, guess what I'm doing today

I'm so drunk right now
Too damn turnt, I'm not touching the ground
Move with precaution, oh yeah
Didn't I tell you that I was awesome, hell yeah

I'm so drunk right now
Too damn turnt, I'm not touching the ground
Move with precaution, oh yeah
Didn't I tell you that I was awesome, hell yeah

Yuh, yuh, yuh
(Didn't I tell you that I was awesome, hell yeah)
Yuh, yuh, yuh
(Didn't I tell you that I was awesome, hell yeah)
