Oh, oh
Oh, oh-oh-oh, oh, oh
Oh, oh-oh-oh, oh, oh
Ooh yeah, ooh yeah

Misunderstood
Had to call her, Meagan tell that it's good
Cruisin' on your block, cruisin' in your hood
Yeah (Ayy, ayy, ayy)
Misunderstood
Yeah

Look who I'm fuckin' again
We can be more than just friends
Friends, what after this?
I don't know even know what that is
(Friends, what after this?
I don't know even know what that is
Friends, what after this?
I don't know even know, I don't know even know, I don't know even know
Friends, what after this?
I don't know even know, I don't know even know, I don't know even know)

I can never fall in love with a hoe
This ain't enough, I can't give all the love, all the love
Kisses and hugs, give me more
Fell in love with your hugs, need your hugs
'Cause lately I've been for the streets
Don't want me to love you
They wanna beef with me
We vibin', we ridin'
So get on top of me, yeah (Get on top of me, yeah)
So get on top of me (Get on top of me, yeah)

(Friends, had to call her, Meagan tell that it's good)
Look who I'm fuckin' again
(Had to call her, Meagan tell that it's good)
Look who I'm fuckin' again
(Had to call her, Meagan tell that it's good)
Look who I'm fuckin' again
(This ain't enough, I can't give all the love, all the love
Kisses and hugs, give me more
Fell in love)
