

Sway

Kacey Musgraves

When the wind blows
It can push you around
It can shake you
Maybe you can show me
'Cause it seems like you know how to not let it phase you

If I didn't wanna take control
I could let go

Maybe one day
I'll learn how to sway

Most of the time
All the thoughts in my mind keep me running
Show me a place where I can just think of nothing

If I surrender, if I let go
Will you hold me?

Maybe one day
I'll learn how to sway

Like a palm tree in the wind
I won't break
I'll just bend
And I'll sway
I'll sway
Ah-ah, ah, ah, ah-ah-ah
I'll sway
I'll sway

Like a palm tree in the wind
I won't break
I'll just bend
And I'll sway
I'll sway

Ah-ah, ah, ah-ah-ah
Om, om
I'll sway
Mm, yeah
Oh yeah
Ah-ah, ah, ah-ah-ah
Om, om
I'll sway
Mm, yeah
Mm, yeah
