

Thank You

Kaci Brown

Thank you
For being everything you always are
For being there like no one else
You know my heart
Do you realize what you've done for me
You made me see that love is worth believing in
I want to thank you for being
The one thing i can count on in my life
For always giving more than you have to give
I love you for everything you do
I just want to say thank you
I want to give you all you've given me
From the sweetest gifts down to the little things
Anything you need. everything i am i'll be loving you until forever and...
I want to thank you for being
The one thing i can count on in my life
For always giving more than you have to give
I love you for everything you do
I just want to say thank you
From sunrise, to sunset
You know. i'll do my best
To say thank you thank you
I want to thank you for being
The one thing i can count on in my life
For always giving more than you have to give
I love you for everything you do
I just want to say thank you
