

Go-Go Dancer

Kaci

Go go dancer
I'm your go go dancer
I'm your go go dancer

When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight

I know just how to bring your body to life
And that's why I can make you
Get up and have you losing your whole mind
Keep your eyes on me so

I can show you how you can do it
One step two step watch how I move it
Go go dancer
Go go dancer
Feel the music
Go go dancer

Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight
Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight

I can make you
I can make you
I can make you
I can make you

Tonight I inspire you to have a good time
And that's cuz I got the heat that sparks the fire
Want that fire got that fire higher
Maybe I can make you fly

I can show you how you can do it
One step two step watch how I move it
Go go dancer
Go go dancer
Feel the music
Go go dancer

Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight
Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right

I'mma make them fantasize tonight

Are you ready
Let's go

Drop it to the floor
Drop it to the floor
Make it touch the
Ready set go

I can make you
I can make you
I can make you
I can make you

Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight
Cuz I'm your go go dancer
Cuz I'm your go go dancer
When my beat comes on I'm hot
When my beat comes on I'm right
I'mma make them fantasize tonight

I can make you
I can make you
I can make you
I can make you
