

# Paradise

Kaci

Could it be the little  
Things you do to me  
Feelings that I'm feeling  
Are so new to me  
I'm going through  
So many changes  
Nothing ever felt  
As strange as  
How my heart goes  
Crazy when you  
Look at me-oh

When I'm with you  
Its paradise  
No place on Earth  
Could be so nice  
Through the crystal waterfalls  
I hear you call  
Just take my hand  
Its paradise  
You kiss me once  
I'll kiss you twice  
And as I gaze  
Into your eyes  
I realise its paradise

Now I know the  
Sweetest dreams can  
All come true  
'Cause I found Heaven  
Here on earth  
When I found you  
Its nothing I could  
Ever make up  
How I hope  
I never wake up  
Just to find this  
Isn't true reality

The world around just  
Disappears without a trace  
Telling me that I have  
Found the perfect place  
Let it stay this way forever  
Deep in love and may  
I never  
Spend another day  
Without you close to me

Ooh paradise  
Yeah

Oh just take my hand  
Its paradise  
You kiss me once  
I'll kiss you twice  
And as I gaze

Into your eyes  
I realise its paradise

Ooh paradise
