

## First Time

Kacy Hill

As long as I'm breathin' I'll breathe for you  
I need you, my love  
And if you can't dream, then I'll dream for two  
I need you, my love  
I'm alone in thought of only you for days  
I'm just tryin' to keep my head above the waves

And they say it's never as deep as the first time  
It's never as sweet as the first time you fall, fall  
And they say, it's never as complete as the first time  
But you're never gonna bleed like the first time you fall, fall

Little by little I've realized you were not the one  
Now I'm not seein' the same eyes that showed me the sun  
I've been holding on too long, thought you would change  
I've been holding on, I don't want you to break

And they say it's never as deep as the first time  
It's never as sweet as the first time you fall, fall  
And they say, it's never as complete as the first time  
But you're never gonna bleed like the first time you fall, fall

Woke up this morning  
Feel like I was split down the middle of my heart  
Don't know if you noticed  
But there's a hole in the middle, a dark star  
And I remember the way your rain hit me there  
Hit me so hard  
I'll never be the same again

And they say it's never as deep as the first time  
It's never as sweet as the first time you fall, fall  
And they say, it's never as complete as the first time  
But you're never gonna bleed like the first time you fall, fall
