

I Couldn't Wait

Kacy Hill

Oh, you're just like the morning sun
Harboring low
Sweet and alone
Oh, I try to give you all my love
It's always too much
So I'm giving it slow

I couldn't wait till morning
I couldn't wait
I couldn't wait till morning

But oh how the night feels soft
I'll always wait for you to know
It doesn't need to be forever, baby
To mean something to me
But I'd bet on us if you'll try

You push me back when I should be close
And I'm feeling you're stressed
But you don't want me to know
I wanna be your good side
Wanna be your sunlight
I wanna be your good side

I couldn't wait
I couldn't wait till morning, I couldn't wait
I couldn't wait till morning

But oh how the night feels soft
I'll always wait for you to know
It doesn't need to be forever, baby
To mean something to me
But I'd bet on us if you'll try

I couldn't wait till morning
I couldn't wait
