

Jesus

Kacy Hill

I don't know what to believe in anymore
I don't think I can save you
I haven't prayed in a couple years now and I
Don't think that I am brave enough
And I never met Jesus
So you're the closest to heaven
That I'll ever come
All of my pieces
Are gone in the setting sun
I follow the feeling
Which left me out in the dust
I don't know who I can trust
Anymore

Give me some time alone
I'll find where I belong
Like the sun and the son
I know that I am strong
I need a place to breathe
I need somewhere to run
I need to buy a gun
So I can set it off

Everything I never told my mother
Always comes back to get me
And everything that we told each other
I'll keep in my heart til they end me
I don't know when I stopped trying
And I don't know when I started lying
And I don't know
When it all fell down
And it was just us left
Under stormy clouds

Give me some time alone
I'll find where I belong
Like the sun and the son
I know that I am strong
I need a place to breathe
I need somewhere to run
I need to buy a gun
So I can set it off

And there's a light
A glimmer end of hope
Somewhere
To find
To make me feel at home
I know I'm not alone
I swear I'm not alone
I know I'm not alone
