

## Mochi's Interlude

Kacy Hill

I'm tired of the same things  
Tired of taking my time  
I can't believe that a year's gone by  
I'm missing something I don't think I ever knew  
Homesick for somewhere that feels brand new  
Cuz I know it's been a long time  
Yes, it's been a long time  
No matter what comes or how it goes  
I'll be your loving home  
I'll be your loving home
