

## To Someone Else

Kacy Hill

Gotta give you everything that I have  
Gotta give you everything that I've got

If God above us  
Ever sent to one of us (Mhm)  
Just be yourself (Mhm)  
Oh if she did (Mhm)  
I must've been listening  
To someone else

(Gotta give you everything that I've got)  
To someone else  
To someone else

I keep calling my mother  
'Cause it's better than nothing (Uh)  
When I wanna feel small (Mhm)  
If I feel alone (Mhm)  
I go back home (Uh)  
I think I'm still listening

(Gotta give you everything that I've got)  
To someone else  
(Did I give you enough?)  
(Gotta give you everything that I've got)  
To someone else  
(Did I give you enough?)  
(Gotta give you everything that I've got)  
(Gotta give you everything that I've got)  
To someone else  
(Gotta give you everything that I've got)  
(Did I give you enough?)  
(Gotta give you everything that I've got)  
(Gotta give you everything that I've got)  
To someone else
