

Spring

Kaczi

Intro: A D A E

People around judge you
But you don't care, what is true
People around try to find, are you with him? I don't mind

Ref:

Give them no more chance to see you
How do they want
Give them no more chance you'd better smell the lovely scent
Of Spring of Spring

I can see the desperate faces, which are jelous about us
Happy children without duties I wish I could be in first class

Ref:

Bridge: F G D G
Which comes soon and I am looking forward to be with you
Which comes soon and I am looking forward
I'm looking forward
I'm looking forward

To Spring...to spring

Let me think just for a while you should change your crazy styl
e
We've got married for ages, don't say stupid turn your pages..
