

Tribute To Amon Amarth

KadavriK

The wait is soon at end
Always charge never bend
Morning is here, make your stand
Live for honor, glory, death in fire!

Total war is here
Face it without fear
Age of sword, age of spear
Fight for honor, glory, death in fire!

See the fire rise
Flames are raging high
Soon all will burn and die
Burn for honor, glory, death in fire!

Storm of lethal flames
Only death remains
Ragnarok is closing in
Die for honor, glory, death in fire!

Forces of chaos is on the move
Everyone, choose your side
And know the end is coming soon
The day for all to die

The day is here when Bifrost breaks
Nor sun or moon will rise
When the dead rise from their graves
and Surtur spreads his fire

All you know will wither away
And sink into the sea
A new world will be born one day
Where everyone is free

The warming sun returns again
And melts away the snow
The sea is freed from icy chains
Winter is letting go

Standing on the ocean side
We can hear the waves
Calling us out with tide
To sail into our fate

Oden! Guide our ships
Our axes, spears and swords
Guide us through storms that whip
And in brutal war

Our ships await us by the shore
Time has come to leave
Our country, family and homes
For riches in the east

Some of us won't return
But that won't bring us down

Our fate is written in the web
Woven by the Norns
