

# Demons

Kadebostany

My demons talk to me  
I try to fall asleep  
But they won't stop talking  
Like all the shit on radio  
My demons talk too much  
And I can't fall asleep  
I try to kill myself  
So I turn on the radio

Maybe I spoke too soon  
As I usually do  
The song is not that bad  
I'm saying out loud "what is this"  
So I turn up the sound  
And here there is no one  
Who can walk in my head  
But this song that goes like this

Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala  
Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala

I've never been to school  
Maybe you think it's cool  
But if we speak the truth  
Yeah I was not the cool kid  
I had to improvise  
At different states of life  
And life could be a bitch  
Doesn't matter you're just a kid

When they all laugh at you  
Just cause you don't agree  
With what's been taught to them  
Makes you feel like you're just a freak  
So I put my headphones on  
And here there is no one  
Who can walk in my head  
But this short song that goes like this

Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala  
Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala

The truth gonna take a while  
But that's what makes games fun  
You'll be somebody for somebody  
But don't think too long  
Only you're in charge  
You can't press restart  
Don't need nobody cause nobody

Can bring your youth back

How will you do this?  
How will you make it?  
That's what they say  
How will you do this?  
How will you make it?  
That's what they say

Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala  
Lalalala lalalalala  
Lalala lalalala  
Lalala lala lala
