

# Lovelace

Kadebostany

The only thing I can remember  
Is the tip of your smile  
The only thing I can remember  
Is when I lost my sight  
The only thing I can remember  
Was our last goodbye  
The only thing I can remember  
Is when I first cried for you

(Ouh Ouh Ouh Ouh  
And I, tried to be, good  
And I, tried to be good, all my senses are gone  
Tried to be good, and I  
Tried to be good, all my senses are gone  
Is there anybody else?)

I love you  
Is this paradise?  
Is there anyone?  
Can somebody hear my crying?  
I love you  
I guess I have to lie

(Ouh Ouh Ouh Ouh  
And I, tried to be, good  
And I, tried to be good, all my senses are gone  
Tried to be good, and I  
Tried to be good, all my senses are gone)
