

## Something Inside Me

Kadebostany

Something inside me calling me home  
Something inside me tells me just go  
Pulling inside me  
Keeps humming around me  
It won't slow  
Something inside me tells me just go  
Keeps pulling inside me  
And humming around me

It tells me just  
Go  
Tells me just  
Go  
Tells me just

You're giving me hope  
Lots of lo-lo-lo-lo-love  
Lots of lo-lo-love  
Lots of lo-lo-lo-lo-love  
Lots of lo-love

Something inside me calling me home  
Something inside me tells me just go  
Keeps pulling inside me  
And humming around me

It tells me just  
Go  
It tells me just  
Go  
Tells me just

Pulling inside me  
It's humming around me  
Tells me just go
