

## One Song

Joshua Kadison

When a woman cries, when a woman cries  
She can wash your world away  
When storms fill her eyes, when storms fill her eyes  
You never know just what to say  
Don't say a word, don't say anything  
She don't need your truth or lies  
Just hold her close and love her  
When a woman cries  
When a woman cries, when a woman cries  
There is no sadder song  
So you apologize, you apologize  
Even if you don't know what you've done wrong  
But if you really want to make her happy  
To stop her sobbing and her sighs  
Just hold her close and love her  
When a woman cries  
Now don't you waste your time thinking  
'Bout the right thing to say  
Just put your arms around her  
'Til the clouds roll away  
When a woman cries, when a woman cries  
She can tear your dreams apart  
When storms fill her eyes, when storms fill her eyes  
It can break a, break a man's heart  
And if you find that you are crying too  
Don't let it come as no surprise  
Just hold her close and love her  
When your woman cries
