

I Will Marry U

Kahitna

Di suatu sore
Kita bertemu kesekian kalinya
Aku bilang aku akan pergi
Meninggalkan kamu dengan sejuta kenangan

Percayalah kasih
Dirimu hanya satu di hatiku
Aku bilang aku tetap cinta
Walau kau dan aku dibenua yang berbeda

Wajahmu tertunduk sedih
Saat pertemuan kita berakhir
Long distance ini harus kuhadapi
Walau sulit dan pedih tanpa dirimu lagi

Baby, please, listen to my heart
I will love you
Really loving you just forever
Baby, please, be stand by my side
When I get home I will marry you
I will marry you
I will marry you

Percayalah kasih
Dirimu hanya satu di hatiku
Aku bilang aku tetap cinta
Walau kau dan aku dibenua yang berbeda

Wajahmu tertunduk sedih
Saat pertemuan kita berakhir
Long distance ini harus kuhadapi
Walau sulit dan pedih tanpa dirimu lagi

Baby, please, listen to my heart
I will love you
Really loving you just forever
Baby, please, be stand by my side
When I get home I will marry you
Ooh...

Baby, please, listen to my heart
I will love you
Really loving you
Baby, please, listen to my heart
I will love you
Really loving you just forever
Baby, please, be stand by my side
When I get home I will marry you
Baby, listen
Baby baby, please, be stand just forever
Baby please, be stand by my side
When I get home I will marry you
I will marry you
I will marry you
I will marry you
I will marry you
I will marry you

I will marry you
I will marry you (you, you)
I will marry you (yes, I)
I will marry you (yes, I will)
