

Older, older, then we gon' never want to be sober  
Can't really take a hint til it's over  
Tryna discover yourself with the potion  
But he's made in the factory with the hidden chemical waste

He too hot, make myself clear

You try to move away, think escaping make you safe  
You try to move to another land, they still gon' discriminate y  
ou because your black  
This life feels just about right  
We just stay in the right state of mind  
So when we older, older, then we gon' never want to be sober  
Never, never, never want to be older, older, then we gon' never  
want to be sober

I just want to fit in, yeah, yeah, yeah  
Do the things I want and be the girl that I want to be  
Like the ones on the magazines  
That's not the way it should be, see  
That's not the way we should be seeing

You try to move away, think escaping make you safe  
You try to move to another land, they still gon' discriminate y  
ou because your black  
This life feels just about right  
We just stay in the right state of mind  
So when we older, older, then we gon' never want to be sober  
So when, so when, older, older, then we gon' never want to be s  
ober  
So when we, when we older, older, then we gon' never want to be  
sober  
When we, when we
