

Another Day In Paradise

Kailee Morgue

I'm sitting on the floor of my home, burning everything that I own
Guess I ruined something good again
My life is just a fucked-up
freak show, it's the only thing that I know
And I hope it never ever ends

Everybody tells me I need fixing
I think that they don't know what they're missing, trust me

That's just life, kicks you down whenever you try
It laughs when you cry
And keeps on moving 'til you die
It's okay, it's alright
It's just another day in paradise

I spiral in self-deprecation, pity party celebration
Never seeing things for what they are
And sadness teases my temptation, coming off my medication
Everything you need to be a star

Everybody tells me I need fixing
I think that they don't know what they're missing, trust me

That's just life, kicks you down whenever you try
It laughs when you cry
And keeps on moving 'til you die
It's okay, it's alright
It's just another day in paradise

It's just another day, I know that it won't change
It's just another day, it's just another day
It's just another day, go find another way
It's just another day, it's just another day

That's just life, kicks you down the harder you fight
It laughs 'til you cry
And keeps on moving 'til you die
It's okay, it's alright
It's just another day in paradise

That's just life, kicks you down whenever you try
It laughs when you cry
And keeps on moving 'til you die
It's okay, it's alright
It's just another day in paradise
