

City

Kaiser Chiefs

I like the sound of the city
The noise on my street helps me sleep
The shop, it never closes
I'd like to try a few poses

Cashback is very nice
But too much could be dangerous
£100 in your pocket
You'll spend it up before you know it

I love the sound of the shutters
Of bottled bankers and back in our truck
An angry harmless nutter
On the footbridge who never shuts up
